

Play-wood

Info

The Play-wood tables in solid oak for a warm feeling.

Play is a substantial, easy and playful coffee table. The shape is inspired of guitar picks and boomerangs. It works great in groups or on its own. Play-wood comes in two sizes and you can make your colour choice between standard soft oil coating in; natural oak, smoked oak, white washed oak and black oak, or special customized colour for a cost of colour-change.
